Re: Third Supplement to Petition for Declaratory Ruling of Sprint Corporation, IBFS File No. ISP-PDR-20160411-00006; and  
Second Supplement to Applications for *Pro Forma* Transfer of Control of Nextel Communications of the Mid-Atlantic, Inc. and Sprint Communications Co., L.P., IBFS File Nos. SES-T/C-20160412-00345 and SES-T/C-20160412-00360

Dear Ms. Dortch:

Sprint Corporation (“Sprint”) filed the above-referenced Petition for Declaratory Ruling (“Petition”) on April 11, 2016, pursuant to 47 U.S.C. § 310(b)(4) and 47 C.F.R. § 1.990(a)(1) on behalf of its subsidiaries holding FCC licenses and authorizations. Sprint supplemented the Petition on April 21, 2016 to report a name change of one of the entities for which specific approval is sought, and further supplemented the Petition on May 10, 2016 to clarify its requests for approval.

By this letter, Sprint further supplements its Petition to reflect that Nimesh Arora, formerly the President and Chief Operating Officer of SoftBank Group Corp. (“SoftBank”), recently stepped down from his position at SoftBank and from his position on Sprint’s Board of Directors.<sup>1</sup> Sprint hereby amends the Petition to remove the reference to Mr. Arora as a member of the Sprint’s Board, and thus as the holder of a controlling interest in the controlling United States parent of the petitioning applicant, found on page 5 of the Petition.

By copy of this letter, Sprint also supplements the above-referenced pending applications for *pro forma* transfer of control of its two subsidiaries that hold satellite earth station authorizations. Sprint had appended its Petition as Attachment 1 to each of the transfer of control applications in response to Question No. 34 requesting information regarding foreign ownership, and wishes to advise that the Petition has been supplemented.

---

<sup>1</sup> SoftBank has since announced that Ken Miyachi will assume the role of President and Chief Operating Officer. Mr. Miyachi does not hold a disclosable interest in Sprint at this time.
